

# Enjoy the ultimate comfort

**AIRZONE**

The most efficient HVAC solution in the market

We are **experts in HVAC control and regulation** with 20 years of research and development, bringing the utmost comfort to more than a million users worldwide.

Zoned AC units

Hot/cold air

Radiant heating

Remote control

MOTORIZED PLENUM

AIRZONE THERMOSTATS

As the core of the system, it manages and executes all the commands. **Easily integrated with BMS systems** (Home Automation) thanks to **the Airzone communication gateway**.

Enjoy smart temperature control in the home or office, with Airzone interfaces. **A smart thermostat in each room** to set the ideal temperature.

## Airzone Cloud

Transform your smartphone or tablet into a smart thermostat. Enjoy full control.

- Select the **perfect temperature for each room**.
- Program your system **anytime, anywhere**.
- **Check the local weather** forecast.

Are you ready to enjoy smart HVAC control?

Access the demo at the website [airzonecloud.com](http://airzonecloud.com)

# AIRZONE

Enjoy **different temperatures in different zones**.  
Control your consumption by turning the zones on  
and off whenever you want.

## A whole new level of energy efficiency and control

### Independent temperatures

Choose **the perfect temperature for each room**. The best solution to the varying needs of different users.

### Economic savings

Reduce the consumption of the system by zoning: **turn on only the zones you actually use**.

### Comfort

Get the utmost comfort with one ducted unit and enjoy the convenience of zoning.

### Latest BMS/HA

Connect your Airzone system easily to **the most popular BMS/HA on the market**.

### Energy efficiency

Our **energy-efficiency algorithms** promote the rational use of energy while getting the most out of the system.

### High quality

Recommended by the top AC manufacturers around the world. **20 years of experience at your service**.

### Innovative design

Smart thermostat with high-technology capacitive screen. Finished in zamak steel and glass, it is the perfect balance between design and control.

### Cloud technology

Control the temperature of your home from your smartphone. Enjoy an up-to-date system 24/7 thanks to Airzone Cloud.
